

Смена сертифицирующего органа

В 2013 году в компании ООО «Фабрика бакалейных продуктов» было принято решение сменить сертифицирующий орган с компании ИМО на другую международную организацию, имеющую право органической сертификации в Украине - ЕТКО.

Органические крупы впервые в Украине появились под ТМ «Жменька» более пяти лет назад. И с самого начала производства органических продуктов «Фабрика бакалейных продуктов» проходит ежегодную проверку и сертификацию. Благодаря этому продукция ТМ "Жменька" всегда соответствует наивысшим критериям органического производства, о чем свидетельствуют сертификаты.

ЕТКО – это международная компания, работающая на рынке сертификации с 1996 года. Она работает во всех странах Черноморского бассейна, Индии, Пакистане и Таиланде, а также имеет партнерские договора ЛАКОН (Германия) и ОЕС (Южная Корея).
